The gift of sobriety... It's pretty good.

A.A. has no side effects.

A.A. can do quite well without me, but how well can I do without A.A.?

Step Twelve:

"Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs."

I am responsible...

When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there.

The Twelfth Tradition

"Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities."

Anonymity, as we observe it in A.A., is at root a simple expression of humility. When we use the Twelve Steps to recover from alcoholism, we are each trying to achieve real humility, to put our selfrespect on a solid base of truth, rather than on fantasies about ourselves. When we use the Twelve Traditions to work together in A.A., we are all trying to achieve humility; as individual members, by recognizing our true place in A.A.; as a fellowship, by recognizing A.A.'s true place in the world. Tradition One reminds each of us that we are not recovering on our own, that we should control our personal desires and ambitions in order to guard the unity of our group and our Fellowship. We ought not (Tradition Two) fancy ourselves as big shots in A.A., no matter what office we hold. All of us are just alcoholics together, and in our groups we are not entitled (Tradition Three) to rule on the qualifications of other alcoholics seeking the same help that we've had. Yes, a group needs humility too. It may make its name public, but in the spirit of anonymity it should see the Whatever Group as merely part of a bigger whole (Tradition Four), careful in every enterprise to consider the welfare of all the other groups that make up A.A. In both group and individual activities, we should remember what the full name of our Fellowship is. It does not represent any established religion, nor is it a new religion. We are not evangelists or gurus out to save humanity; we are anonymous alcoholics trying to help other alcoholics (Tradition Five). In the rising battle against alcoholism, we ought not let our pride in A.A. mislead us into linking our Fellowship with other agencies, in order to bid for a share in their power, prestige, and funds. If we keep Traditions Six and Seven in mind, we will instead direct all our efforts toward A.A.'s own unique purpose. When we go on Twelfth Step calls, we should not tell ourselves how noble we are for doing such valuable work without pay. The meaning of Twelfth Step work cannot be measured in money (Tradition Eight), and we have received advance pay for it, in coin of far greater worth—our very lives. In the same Tradition, it's suggested that a service center maintains A.A. humility by paying its employees decent wages—rather than considering A.A. so virtuous an outfit that employment there is a favor. When we are given special responsibilities within A.A., Tradition Nine defines these as opportunities to serve, not titles to flaunt. The humility of the Fellowship itself is safeguarded by Tradition Ten, with the refusal to set ourselves up as general authorities, swinging our collective weight around in the public arena. We do not want to sell our program as a

OPEN COMMITMENTS TO TREATMENT FACILITIES ANNOUNCEMENT

INTERGROUP TREATMENT FACILITIES COMMITTEE

"When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible."

Remember that the primary purpose of Alcoholics Anonymous is to stay sober and to help other alcoholics to achieve sobriety. There are far too many people in very early sobriety at Treatment Facilities that are not hearing the message that we are responsible for carrying. With that said the WAI Treatment Facilities Committee is pleased to announce some changes to help fill Open Commitment spots but we need your help.

Please visit the WAI website at www.aaworcester.org and click on the Treatment Facilities Committee link in the lower right corner of the home page. There you will find calendars by facility to view open dates that we need your help filling. Once you find a date that you can help fill please contact the facility's Team Leader. Their emails are as follows:

- 1) Adcare@aaworcester.org – for all commitments to Adcare Hospital
- 2) CHL@aaworcester.org – for all commitments to Community Healthlink
- 3) Spectrum@aaworcester.org – for all male units at Spectrum Health Systems
- 4) MYRCHL@aaworcester.org – for all commitments to the youth program of CHL
- 5) Washburn@aaworcester.org – for all commitments to Washburn House
- 6) Willows@aaworcester.org – for all female units at Spectrum Health Systems

There are hundreds of open spots for just these 6 facilities we are working with. We need help and you can provide that for us in the following ways:

- 1) Having your Group take a Standing Commitment
- 2) Having a group of friends take a Standing Commitment
- 3) Having you and some friends fill an open spot until a Standing Commitment can be found

So please do what you can and if you have general questions you can always contact us at Treatment@aaworcester.org.

Thank you for your service,
WAI Treatment Facilities Committee

When, therefore, we were approached by those in whom the problem had been solved, there was nothing left for us but to pick up the simple kit of spiritual tools laid at our feet. We have found much of heaven and we have been rocketed into a fourth dimension of existence of which we had not even dreamed.
